

304.37-010 Definitions for Subtitle 37.

As used in this subtitle, the following terms shall have the respective meanings set forth, unless the context shall otherwise require:

- (1) The term "executive director" shall mean the executive director of insurance or the Office of Insurance, as appropriate.
- (2) "Insurer" includes every person engaged as principal and as indemnitor, surety, or contractor in the business of entering into contracts of insurance.
- (3) An "insurance holding company system" consists of two (2) or more affiliated persons, one (1) or more of which is an insurer.
- (4) An "affiliate", or person "affiliated" with a specific person, is a person that directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.
- (5) A "person" is an individual, a corporation, a partnership, an association, a joint stock company, an unincorporated organization, any similar entity, or any combination of the foregoing acting in concert, but shall not include any bank in its fiduciary capacity or securities broker performing no more than the usual and customary broker's function.
- (6) A "subsidiary" of a specified person is an affiliate controlled by the person directly or indirectly through one (1) or more intermediaries.
- (7) The term "voting security" shall include any security convertible into or evidencing a right to acquire a voting security.
- (8) The terms "control," "controlling," "controlled by," and "under common control with" mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a loan contract or commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by KRS 304.37-020(12) that control does not exist in fact. The executive director may determine, after forwarding all persons in interest notice and opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.
